Employment and Compensation Policies

Wistron's compensation and benefits comply with the requirements as well as laws and regulations of each country. The company does not offer wage below the minimum legal requirement. All employees have access to statutory insurance and pension plans. Wistron also offers the same pay for the same work regardless of race, nationality, origin, social status, lineage, religion, physical disabilities, gender, sexual orientation, family responsibilities, marital status, union membership, political affiliation or age.

It has also designed a rewards system as part of the overall remuneration package, which includes wage, benefits, bonuses and dividends. All employees have two performance evaluations each year. The results serve as the basis for personnel bonuses, employment, promotions, and other personnel management activities.

Wistron also conducts a wage survey every year and adjusts wage based on the economy, company operations and personal performance to ensure that employee wage are fair and in line with market standards. All part-time and short-term contract workers are provided access to statutory insurance and welfare since the first day of employment. Compensation per region is indicated below.
