

2. Wistron Corporation Introduction

Wistron Corporation is a global leading technology service provider supplying innovative ICT (information and communications technology) products, service solutions, and systems to top branded companies worldwide. From initial product conceptualization, volume manufacturing, and after-sales repairing to end-of-life products recycling, Wistron supports customers with the products and related services reaching international standards for innovation and quality levels.

Our product and service lines include PCs, server and networking systems, enterprise storage solutions, professional display products, communication devices, after-sales services, and electronics scrap recycling, as well as cloud and display vertical integration solutions. With the development of cloud computing, Wistron combines hardware devices and cloud data systems through software services to provide technical service platforms and solutions to our customers. In addition, Wistron has been dedicated to building value chains in the ICT industry and innovation platforms in the new era of education and enterprise services, IoT, and medical services. Our extensive technology services include 5G, AI, Metaverse related applications, Electric and Autonomous Vehicles, as well as Industry 4.0.

Wistron was founded on May 30, 2001. With 65,000 employees in various R&D, manufacturing and after-sales service facilities in North America, Europe, and Asia, Wistron's revenue in 2022 was NTD\$984.62 billion.

Wistron was listed as a Fortune Global 500 company in 2011, 2012, and from 2018 to 2022. In 2018, Wistron was recognized as one of The 100 Global Technology Leaders by Thomson Reuters, and one of Top 100 Global Innovators by Clarivate in 2022 and 2023. Since 2009, Forbes Magazine has included Wistron among Global 2000 for 14 consecutive years (2009-2022). As recognition for digitalization methods facilitating growth and sustainability, Wistron's Kunshan manufacturing site joined the World Economic Forum's Global Lighthouse Network in 2021, then Wistron Zhongshan joined Global Lighthouse Network in 2023.

Wistron values corporate sustainability and long-term value for our stakeholders. For sustainable practices in terms of environmental, social, and governance factors in the industry of technology hardware, storage and peripherals, Wistron has been rated A since 2021 by MSCI ESG Ratings, and was selected as MSCI Emerging Markets IMI ESG Screened Index Constituent. For five consecutive years (5th to 9th round), Wistron was recognized as reaching the top 5% of evaluated companies with regards to corporate governance performance, and selected to the FTSE4Good TIP Taiwan ESG Index. Wistron was rated "A list", leadership level of climate change as well as management level of water security by CDP questionnaire, and was selected as 2022 CDP Supplier Engagement Leader. Moreover, Wistron actively participates in S&P Global Corporate Sustainability Assessment, and excelled in the Computers & Peripherals and Office Electronics industry on a global scale. Wistron has become Dow Jones Sustainability Emerging Markets Index constituent since 2022. From 2022 to 2023, Wistron has been included in the S&P Global Sustainability Yearbook, and was recognized as Top 5% and Industry Mover in 2023. The recognitions Wistron garnered have made it a global leader in sustainable development.

In addition, The CommonWealth Magazine presented Wistron the Excellence in Corporate Social Responsibility awards for 13 consecutive years from 2010 to 2022, and Wistron won fourth place among large enterprises in 2022. Wistron received the Taiwan Corporate Sustainability Awards (TCSA) for sustainability reporting from 2019 to 2021. In 2022, the company was awarded the Top 100 Domestic Companies Sustainability Model Award, the Platinum Level in the Electronics Information Manufacturing Industry for its sustainability report, as well as the Innovation and Growth Leadership Award by TCSA. From 2021 to 2022, we won the Best Companies to Work for in Asia awarded by HR Asia for our efforts in fostering a diversified and inclusive workplace and gaining more competitive edges.
