

WISTRON CORPORATION

2021 ANNUAL GENERAL SHAREHOLDERS' MEETING MINUTES

(Translation)

Time: 9:00a.m., July 20, 2021

Venue: 3F,108, Sec.1, Xintai 5th Rd., Xizhi Dist., New Taipei City, Taiwan
(Oriental Science Park, Building B, 3rd floor meeting room)

Total outstanding shares of Wistron Corporation: 2,844,843,050 shares. (Excluding the treasury shares 58,769,000 shares).

Total shares represented by shareholders present in person or by proxy: 1,926,449,033 shares

Percentage of outstanding shares held by shareholders present in person or by proxy: 67.72%

Directors present: Simon Lin, Chairman, Chairman of the Board of Directors
Robert Huang, Vice Chairman,
Philip Peng, Director
Jack Chen, Independent Director (Chair of Audit Committee)
Christopher Chang, Independent Director

Chairman: Simon Lin

Recorder: Steven Wang

The aggregate shareholding of the shareholders present in person or by proxy constituted a quorum.
The Chairman called the meeting to order.

Chairman's Address (omitted)

I. Report Items

1. Report the business of 2020. (Please refer to Attachment 1)
2. Audit Committee's Review Report. (Please refer to Attachment 2)
3. Report the compensation for employees and directors of 2020. (Please refer to Meeting Agenda)

II. Ratification Items and Discussion Items I

ITEM 1: Ratification of the Business Report and Financial Statements of 2020

Proposal: Submission (by the BOD) of the Company's 2020 business report and financial statements for ratification.

Explanatory Notes:

1. The Company's business report and financial statements for 2020 (Attachment 1: including Balance Sheets, Statements of Comprehensive Income, Statements of Changes in Equity and Statements of Cash Flows), which have all been approved by Audit Committee and Board of Directors via resolution. (Please refer to Attachment 1.)
2. Submission for ratification.

Resolution:

Voting results: Shares present at the time of voting: 1,926,449,033

| Approval votes | % | Disapproval votes | % | Invalid votes | % | Abstention votes/ no votes | % |

RESOLVED, that the above proposal be and hereby was approved as proposed.

ITEM 2: Ratification of the proposal for distribution of 2020 profits

Proposal: Submission (by the BOD) of the proposal for 2020 earnings distribution for ratification.

Explanatory Notes:

1. The unappropriated retained earnings at the beginning of 2020 is NT\$6,030,766,175, after deducting the remeasurements of defined benefit obligation of NT\$208,765,487, changes in ownership interests in subsidiaries of NT\$4,486,851 and disposal of investments in equity instruments designated at fair value through other comprehensive income of NT\$339,706,228, then adding up the changes in equity of associates accounted for using equity method of NT\$6,871,975 and 2020 net profit of NT\$8,681,762,397 and set aside legal reserve of NT\$813,567,581 and special reserve of NT\$3,310,396,850, therefore the total amount of retained earnings available for distribution is NT\$10,042,477,550. The dividends and bonus proposed to be distributed to the shareholders shall be NT\$6,258,654,710 in cash (NT\$2.2 per share).
2. After the adoption of the resolution at the Shareholders' Meeting, the power with respect to setting the ex-dividend date and other relevant matters is reserved for the Chairman.
3. In the event that, before the ex-dividend date, the proposed earnings distribution plan is affected due to revisions to relevant laws or regulations, or upon the request of the competent authorities, or a change to the Company's common shares (i.e. repurchasing the Company's shares for transfer or cancellation, unsecured convertible bonds converting into common shares, capital increase by cash and capital increase by issuance of GDR, cancellation of part of Employee Restricted Stock Awards etc.), which results in changes in shareholders' allotment of cash dividend, it is proposed that the Chairman is authorized to duly adjust dividend payout rates.
4. Please refer to Attachment 3 for the Profit Appropriation Statement for 2020.
5. Submission for ratification.

Resolution:

RESOLVED, that the above proposal be and hereby was approved as proposed.

ITEM 3: Discussion of the issuance of new common shares for cash to sponsor the issuance of GDR and/or the issuance of new common shares for cash through public offering and/or the issuance of new common shares for cash through private placement and/or the issuance of new common shares for cash to sponsor the issuance of GDR through private placement.

Proposal: Submission (by the BOD) of a proposal to approve the issuance of new common shares to sponsor the issuance of GDR, the issuance of new common shares through public offering, the issuance of new common shares through private placement and/or the issuance of new common shares to sponsor the issuance of GDR through private placement of up to 250 million common shares for capital increase in order to purchase overseas materials, or increase working capital, or repay bank loans or other needs for its future development and competitiveness enhancement.

Explanatory Notes:

1. Fund raising purpose and size:

For the purpose of fulfilling the funding needs of the Company to purchase overseas materials, or increase working capital, or repay bank loans or other needs for its future development and competitiveness enhancement, it is proposed to authorize the Board of Directors to issue up to 250 million common shares, depending on the market conditions and the Company's need, to choose appropriate timing and fund raising methods in accordance with the applicable laws and regulations, according to the following fund raising method and handling principles.

2. Fund raising methods and handling principles:

(1) Issuance of new common shares for cash to sponsor issuance of GDR

A. In accordance with the existing provisions of the "Disciplinary Rules for Securities Underwriters Assisting Issuing Company in the Offering and Issuance of Securities issued by the Taiwan Securities Association," the issue price of the new common shares for cash capital increase for the issuance of GDR may not be lower than the closing price of the Company's common shares on the Taiwan Stock Exchange or 90% of the average closing price of the common shares of the Company in one, three, or five business days prior to the pricing date after adjustment for any distribution of stock and cash dividends or capital reduction. In case of any changes to the relevant domestic laws, the pricing method shall be adjusted accordingly. In view of the severe short-term fluctuations in domestic market price, it is proposed to authorize the Chair to determine the final issue price, within the scope of the said requirement under the Disciplinary Rules, after negotiation with the lead underwriter depending on international capital markets, domestic market price and the overall book building situations, to improve the subscription of international investors, so the pricing method should be reasonable.

B. Upon the limit of 250 million common shares for the issuance of GDR through the issuance of new common shares by capital increase, the original shareholders' equity will be diluted by a maximum of 8.61%. The implementation of the fundraising plan will enhance the Company's competitiveness and benefit the shareholders; the determination of the issue price of the GDRs will be based on the fair trading price of common shares formed in the domestic market. Existing shareholders may still be able to purchase common stock in

domestic stock market at the price closing to the issue price of GDR without bearing the exchange risks and liquidity risks, and may take into account their interests.

- C. Except for 10% to 15% of new common shares shall be allocated for the employees' subscription in accordance with applicable law, it is proposed for the shareholders meeting to approve that the rights to the remaining 85% to 90% of the issuance shall be waived by the shareholders and shall be offered to the public under Article 28-1 of Securities and Exchange Act as the underlying shares of GDR to be sold. It is proposed to authorize the Chairman, depending on the market needs, to allot the new common shares not subscribed by employees of the Company as underlying shares of GDR.

(2) Issuance of new common shares for cash in public offering

- A. The par value of the new common shares to be issued per share is NT\$10. It is proposed to authorize the Chairman of the Company to coordinate with the underwriter(s) of the public offering to determine the actual issue price in accordance with the Taiwan Securities Association's Self-regulatory Rules Governing the Provision of Advisory Services by Underwriter Members to Issuing Companies for Offering and Issuing Securities and the market conditions and the issue price shall be reported to, and accepted by the regulatory authority before issuance.
- B. It is proposed to authorize the Board to choose either of the following methods to sell the new shares in the public offering through the underwriter(s):
 - a. Except for 10% to 15% of the new shares must be offered to employees in accordance with Article 267, Paragraph I of the Company Act, it is proposed for the shareholders meeting to approve the pre-emptive rights to subscribe to the remaining shares to be waived by the shareholders in accordance with Article 28-1 of the Securities and Exchange Act and such remaining shares will be offered to the public via book building. It is proposed that any new common shares not subscribed by employees of the Company will be sold to the person(s) designated by the Chairman of the Company at the issue price.
 - b. Except for 10% to 15% of the new shares must be offered to employees in accordance with Article 267, Paragraph I of the Company Act, it is proposed that 10% of the new shares to be sold to the public through the underwriter(s) in accordance with Article 28-1, Paragraph 2 of the Securities and Exchange Act and the remaining shares will be subscribed to by the existing shareholders of the Company in accordance with their shareholding. It is proposed that any new common shares not subscribed by employees and shareholders of the Company will be sold to the person(s) designated by the Chairman of the Company at the issue price.

(3) Issuance of new common shares for cash in private placement and/or issuance of new common shares for cash to sponsor issuance of GDR in private placement

- A. The basis and rationale to determine the private placement price:
 - a. The common stock price per share shall be set at no less than 85% of the reference price. The reference price is set as the higher of the following two basis prices:
 - (i) The simple average closing price of the common shares of the Company for either the one, three, or five business days before the price determination date, after adjustment for any distribution of stock dividends, cash dividends or capital reduction.
 - (ii) The simple average closing price of the common shares of the Company for the thirty business days before the price determination date, after adjustment for any distribution of stock dividends, cash dividends, or capital reduction.

- b. The pricing date, actual reference price, theoretical price, and actual issuance price are proposed to be authorized to the Board of Directors to determine within the range approved by the shareholders meeting, after taking into consideration the market status, objective conditions, and qualification of specific parties. Considering that the Securities and Exchange Act has set the restrictions on transfers of the privately placed securities for three full years, the price determination above shall be reasonable.

B. The method to determine specific parties:

The strategic investors have the priority to be considered as specific parties for private placement if they may be qualified for the rules in Article 43-6, Securities and Exchange Act and other letters from government authorities and should also have direct or indirect benefit to the Company, and can recognize the Company's operating strategy. The company currently has not arranged the specific parties. It is proposed to authorize the Company's Board of Directors to determine the specific parties for private placement.

C. The necessity of private placement:

- a. The Company plans to invite strategic investors and strengthen competitiveness through private placement. Because of the restrictions on transfers for three full years, it is better to maintain a long-term relationship with strategic partners by such security issuance of private placement. And also considering the effectiveness and feasibility to raise capital, the Company proposes to raise capital through private placement, rather than public offering.
- b. The amount of the private placement: up to 250 million common shares.
- c. The use of proceeds and projected benefits of private placement: The Company plans to do private placement at one time or several times (no more than 3 times) based on market conditions and specific parties. The capital raised will be used to purchase overseas materials, or increase working capital, or repay bank borrowings or other needs for its future development. The private placement will expand the scale of operations and invite strategic investors and will strengthen our competitiveness, upgrade operating efficiency, and reinforce financial structure, which can benefit shareholders' equity.

3. Use of proceeds, schedule and projected benefit:

The Company plans to use the fund raising from capital increase to purchase overseas materials, or increase working capital, or repay bank borrowings or other needs for its future development. The fund raising plan will strengthen our competitiveness, upgrade operating efficiency, and reinforce financial structure, which can benefit shareholders' equity.

4. It is proposed to authorize the Board of Directors to determine, proceed or revise the issuance plan of new common shares to be issued to sponsor the GDR and the new common shares to be issued in public offering, new common shares in private placement and/or new common shares to sponsor issuance of GDR in private placement, including issue price, shares, terms and conditions, plan items, amount, record date, projected progresses and benefits, and any other item related to the issuance plan, based on market conditions. It is also proposed to authorize the Board of Directors to revise the issuance plan based on operation evaluation, environment changes or if receiving instructions from governmental authorities.
5. The new common shares to be issued to sponsor issuance of GDR, the new common shares to be issued in public offering, the new common shares in private placement and/or the new common shares to sponsor issuance of GDR in private placement will be issued in scripless form. However

the new common shares in private placement and the new common shares to sponsor issuance of GDR are subject to the selling restrictions within three years after the delivery date under Article 43-8 of the Securities and Exchange Act, the new common shares to be issued to sponsor the GDR and the new common shares to be issued in public offering, new common shares in private placement and new common shares to sponsor issuance of GDR in private placement will have the same rights and obligations as the Company’s existing issued and outstanding common shares.

6. It is proposed to authorize the Chairman or the Chairman’s designee, on behalf of the Company, to handle all matters relating to, and sign all agreements and documents in connection with, issuance of new common shares to sponsor issuance of GDR and/or issuance of new common shares in public offering and/or issuance of new common shares in private placement and/or issuance of new common shares to sponsor issuance of GDR in private placement.
7. The Board is authorized to handle all matters which are not addressed herein in accordance with the applicable laws and regulations.
8. Please discuss.

Resolution:

ITEM 4: Discussion of amendments to the “Articles of Incorporation”

Proposal: Submission (by the BOD) of a proposal to amend certain parts of the Company’s “Articles of Incorporation.”

Explanatory Notes:

1. In order to comply with the regulations update, it is proposed to make amendments to the “Articles of Incorporation.”
2. **Supplementary Explanation Notes:** In accordance with the “Measures for public companies to postpone shareholders' meetings for pandemic prevention” announced by the FSC, the Annual General Shareholders’ Meeting was originally scheduled to be held on June 17, 2021 and was

postponed to July 20, 2021. Therefore the date of amendment of “Articles of Incorporation” is adjusted to July 20, 2021.

3. Please discuss.

III. Election Item

Proposal: Submission (by the Board of Directors, “BOD”) of the proposal for election of the Company’s 9th Board of Directors (including Independent Directors)

Explanatory Notes:

1. The Company’s 8th BOD, with 9 Directors (including 5 Independent Directors), has its term until June 13, 2021. In accordance with Article 195 of the Company Act, in case no election of new directors is effected after expiration of the term of office of existing directors, the term of office of out-going directors shall be extended until the time new directors have been elected and assumed their office. In this connection, the election of the 9th BOD (including 5 Independent Directors) is scheduled in the 2021 Annual General Shareholders’ Meeting.
2. To implement corporate governance best practices, the Company has established the Audit Committee, the Compensation Committee, Nominating Committee and ESG Committee. In this connection, 9 Directors (including 5 Independent Directors) will be elected at the Annual General Shareholders’ Meeting in accordance with the Articles of Incorporation, with their three-year term extending from June 17, 2021 to June 16, 2024. They may then be eligible for re-election. All the Independent Directors will constitute the Audit Committee.
3. The directors shall be elected by the candidate nomination system as specified in Article 192-1 of Company Act. The below list of the candidates for the 9 Directors (including Independent Directors):

Note2: As per the actual reported number of shares on April 19, 2021

4. **Supplementary Explanation Notes:** In accordance with the “Measures for public companies to postpone shareholders' meetings for pandemic prevention” announced by the FSC, the Annual General Shareholders’ Meeting was originally scheduled to be held on June 17, 2021, and was postponed to July 20, 2021. Therefore the term of 9th Board of Directors has been revised from July 20, 2021 to July 19, 2024.

Election Results:

Nine directors for the 9th Board of Directors (including five independent directors) elected by the shareholders present are listed as follows:

A. Directors

| Name | Ballots Received |
|--|------------------|
| Simon Lin (Hsien-Ming Lin) | 1,974,455,555 |
| Robert Huang (Po-Tuan Huang) | 1,468,431,776 |
| Legal Representative of Wistron NeWeb Corporation: Haydn Hsieh (Hong-Po Hsieh) | 1,343,001,248 |
| Philip Peng (Chin-Bing Peng) | 1,295,849,746 |

B. Independent Directors

| Name | Ballots Received |
|-------------------------------------|------------------|
| Jack Chen (YuLiang Chen) | 1,723,797,329 |
| Peipei Yu (Pei-Pei Yu) | 1,696,786,150 |
| S. J. Paul Chien (Shyur-Jen Chien) | 1,403,291,330 |
| Christopher Chang (Liang-Chi Chang) | 1,399,809,275 |
| Sam Lee (Ming-Shan Lee) | 1,213,780,694 |

IV. Discussion Items II

Discussion of the release of the prohibition on newly-elected directors and their corporate representatives from participation in competitive business.

Proposal: Submission (by the BOD) of a proposal to release the prohibition on newly-elected directors and their corporate representatives from participation in competitive business.

Explanatory Notes:

- Pursuant to Article 209 of the Company Act, “A director engaging, either for himself or on behalf of another person, in activities that are within the scope of the company's business, shall explain at the shareholder meetings the essential details of such activities and secure its approval.” It is hereby proposed to release the prohibition on newly-elected directors and their corporate representatives, who participate in the operations of another company that engages in the same or similar business scope as the Company, from participation in the competitive business.
- Under the premise that such actions will not impair the Company’s competitive advantage, it is proposed to grant approval at the shareholders’ meeting for the release of the prohibition on newly-elected directors and their corporate representatives from participation in competitive business. Items proposed to be released are shown below.

Attachment 1

Wistron Corporation Business Report

The year 2020 was unprecedented with COVID-19 spreading across the globe. The closing of borders and subsequent quarantine measures created tremendous impacts on the business environment and the way people live their lives. Despite the ongoing US-China trade war, reshuffling supply-chain, and strengthening of the NT dollar, among other variables, Wistron was still able to maintain operational growth amidst these challenges.

In 2019, Wistron embarked on an internal restructuring that created three major business entities: Wistron Technologies, Wistron Smart Devices, and New Business. After undergoing a short adjustment period, we can now see the positive effects of our increased efficiency and focus. Furthermore, Wistron has deeply felt the necessity of sustainability and social responsibility aspects of ESG (Environmental, Social, Governance) and has actively implemented ESG into its daily operations.

Hereby, I would like to report on Wistron's 2020 business results, our business plan for 2021, and the company's future development strategy.

2020 Financial and Operation Results

In 2020, our consolidated revenue reached NT\$845.012 billion with a net profit attributable to owners of parent of NT\$8.682 billion and an earnings per share (EPS) of NT\$3.10. The previous year's consolidated revenue was NT\$878.255 billion with a net profit attributable to owners of parent of NT\$6.801 billion and an EPS of NT\$2.4. Gross margin in 2020 was 5.5% compared with 4.8% in 2019 while the operating margin improved to 1.7% from 1.5% the year before.

In response to future company transformation and global production capacity plans, we disposed of a portion of our Kunshan factory's production capacity. Work-from-home, distance education, and e-commerce logistics development brought about by the pandemic boosted product categories related to these changing requirements. These specifically included notebooks, monitors, industrial control equipment, and enterprise products which displayed a more pronounced growth. The sales for other product lines remained either flat or declined slightly.

Corporate Sustainability and Social Responsibility

In 2019, Wistron established an ESG Committee under the Board of Directors to deepen its vision of sustainable development and put into practice its corporate social responsibility. The ESG Committee spares no effort in implementing policies in the areas of environmental protection, social inclusion, corporate governance and innovative value. In 2020, Wistron was ranked in the top 5 percent of the 6th Corporate Governance Evaluation and was awarded CommonWealth magazine's Corporate Citizen Award for the eleventh time. Wistron also received an A- rating from Carbon Disclosure Project (CDP), and garnered an AA rating from MSCI (Morgan Stanley Capital Investment) ACWI (All Country World Index) ESG for the fourth consecutive year.

2021 Business and Operational Focus

As the world economy continues to be affected by the pandemic in 2021, uncertainties still exist such as the continuing severe shortage of key components. This uncertainty also contributes to a remote economy such as remote work, remote learning, remote consumption and other lifestyle changes that are considered the new normal. Wistron is fully prepared for these challenges, and its operational focus builds on last year's five major operating directions with a special emphasis on the following:

- (1) Optimize global strategy and accelerate digital transformation: The company's operation and growth depends on management and professional talent. The global strategy includes factory expansion and the addition of new sites, enough talent recruitment, and a comprehensive building and implementation of agile and digital capabilities.
- (2) Build up image as a technology services provider while increasing operational growth momentum: Wistron Technologies, Wistron Smart Devices and New Business and other business groups are rooted in their digital capability and must establish differentiation in business results and implement an effective management system for business growth in order to achieve business excellence.
- (3) Aggressively invest, develop and acquire key technologies to establish future core competencies: We possess a firm technology base and artificial intelligence (AI) supplying us with a distinct competitive advantage. And, by further increasing customer loyalty, we can create real, long-term value.
- (4) Continue to intensify digital transformation to make a positive impact: Wistron actively drives digital transformation, making good use of digital technology to optimize internal management systems and create new business value. All data and improvements must be reflected on both financial and non-financial performance indices.
- (5) Implement corporate sustainability, increase ESG international visibility: Wistron strongly adheres to the United Nations Sustainable Development Goals by aligning its corporate

sustainability direction, strategy, and short/mid/long-term targets. This means that all global sites can strictly follow and implement these directives.

Future Outlook

As we celebrate our 20th year, Wistron has begun its enterprise architecture comprising the three main business entities. Business volume and profit are performing stably with steady growth. Looking to the future, we hope to continue perfecting our global strategy, integrating the local resources and advantages of each site to effectively adapt to global market changes and the latest technology development trends to achieve the best results. Facing the coming age of 5G and AI Internet of Things (IoT), Wistron has already embedded digital transformation into its corporate gene. At the same time, we have strengthened our R&D and patent technology investments to develop the most competitive product portfolio and production capability. These provide us with a stable foundation on which a path to intelligent and green manufacturing will be realized. In the area of corporate sustainable development, Wistron upholds an altruistic management philosophy with ESG principles as its guide. Incorporating the four major areas of corporate governance, environmental protection, social inclusion, innovative value, we move towards a digital future by being a “technology powerhouse for better life and environment.” We thank all shareholders for all your support and encouragement to Wistron over the years. The Wistron management team and all employees will continue to strive hard to create the greatest value for the company and shareholders.

Chairman: Simon Lin

President: Jeff Lin and David Shen

Controller: Stone Shih

Independent Auditors' Report

To the Board of Directors of Wistron Corporation:

Opinion

We have audited the parent company only financial statements of Wistron Corporation (“the Company”), which comprise the balance sheets as of December 31, 2020 and 2019, the statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2020 and 2019, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audit of the consolidated financial statements as of and for the year ended December 31, 2020 in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants, and the auditing standards generally accepted in the Republic of China. Furthermore, we conducted our audit of the financial statements as of and for the year ended December 31, 2019 in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants' Ruling No.1090360805 issued by the Financial Supervisory Commission, and the auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China (“the Code”), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Provision of sales return and allowance (current refund liability)

Please refer to Note 4(q) “Revenue from contracts with customers” for accounting policy, Note 5(a) for accounting assumption, judgments and estimation uncertainty of provision of sales return and allowance (refund liability), and Note 6(t) for the disclosure of the provision of sales return and allowance (refund liability) to the financial statements.

Description of key audit matter

The Company provides the sale rebates to the customers under contractual requirements and evaluates the adequacy of the provision of sales return and allowance based on historical experiences and contract conditions. Consequently, the evaluation of the sales return and allowance (refund liability) resulting from sales has been identified as a key audit matter.

How the matter was addressed in our audit

Our principal audit procedures included testing the Company's controls surrounding the revenue recognition for key manual and systems based controls, tracing general ledger to sales systems and reconciling the differences, and assessing the appropriateness in applying accounting policies to revenue recognition process; our audit work, in respect of the accrual for rebates and returns, involved testing key management controls over the claims and credits. In order to assess the reasonableness of the estimates for such accruals, we considered the appropriateness of the calculation, imputed parameters, key assumptions, and the historical experience.

2. Inventory valuation

Please refer to Note 4(g) "Inventory" for accounting policy, Note 5(b) for accounting assumption, judgments and estimation uncertainty of inventory and Note 6(f) for the disclosure of the valuation of inventory to the financial statements.

Description of key audit matter

Inventories are stated at the lower of cost or net realizable value. The rapid development of technology and the advance of new electronic products can have a significant impact on market demand, which may lead to product obsolescence that will affect the cost of inventory to be higher than its net realizable value. Consequently, the valuation of inventories has been identified as another key audit matter.

How the matter was addressed in our audit

In relation to the key audit matter above, our audit procedures included the examining the inventory aging report, analyzing the variation in inventories, and evaluating the selling price used for the Company's inventory valuation and the changes on fair values of the inventories subsequently; selecting samples to assess the reasonableness of the net realizable values by comparing them to the original documents; as well as considering the adequacy of the Company's disclosure in this area.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the investment in other entities accounted for using the equity method to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Ya-Ling Chen and Chia-Chien Tang.

Independent Auditors' Report

To the Board of Directors of Wistron Corporation:

Opinion

We have audited the consolidated financial statements of Wistron Corporation and its subsidiaries (“the Group”), which comprise the consolidated balance sheets as of December 31, 2020 and 2019, the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2020 and 2019, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards (“IFRSs”), International Accounting Standards (“IASs”), Interpretations developed by the International Financial Reporting Interpretations Committee (“IFRIC”) or the former Standing Interpretations Committee (“SIC”) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audit of the consolidated financial statements as of and for the year ended December 31, 2020 in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants, and the auditing standards generally accepted in the Republic of China. Furthermore, we conducted our audit of the consolidated financial statements as of and for the year ended December 31, 2019 in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants, Ruling No. 1090360805 issued by the Financial Supervisory Commission, and the auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China (“the Code”), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Provision of sales return and allowance (refund liability)

Please refer to Note 4(q) “Revenue from contracts with customers” for accounting policy, Note 5(a) for accounting assumption, judgments and estimation uncertainty of the provision of sales return and allowance (current refund liability), and Note 6(t) for the disclosure of the provision of sales return and allowance (current refund liability) to the financial statements.

Description of key audit matter

Provision of sales return and allowance (refund liability) is one of the key judgmental areas for our audit, particularly in respect of the estimates made for rebates, chargebacks and returns under contractual requirements which valued sales return and allowance.

How the matter was addressed in our audit

Our principal audit procedures included testing the Group's controls surrounding the revenue recognition for key manual and systems based controls, tracing general ledger to sales systems and reconciling the differences, and assessing the appropriateness in applying accounting policies to revenue recognition process; our audit work, in respect of the accrual for rebates and returns, involved testing key management controls over the claims and credits. In order to assess the reasonableness of the estimates for such accruals, we considered the appropriateness of the calculation, imputed parameters, key assumptions, and the historical experience.

2. Inventory valuation

Please refer to Note 4(h) "Inventory" for accounting policy, Note 5(b) for accounting assumption, judgments and estimation uncertainty of inventory and Note 6(f) for the disclosure of the valuation of inventory to the consolidated financial statements.

Description of key audit matter

Inventories are stated at the lower of cost or realizable value. The rapid development of technology and the advance of new electronic products can have a significant impact on market demand, which may lead to product obsolescence that will affect the cost of inventory to be higher than its net realizable value. Consequently, the valuation of inventories has been identified as another key audit matter.

How the matter was addressed in our audit

In relation to the key audit matter above, our audit procedures included the examining the inventory aging report, analyzing the variation in inventories, and evaluating the selling price used for the Company's inventory valuation and the changes on fair values of the inventories subsequently; selecting samples to assess the reasonableness of the net realizable values by comparing them to the original documents; as well as considering the adequacy of the Company's disclosure in this area.

Other Matter

Wistron Corporation has prepared its parent-company-only financial statements as of and for the years ended December 31, 2020 and 2019, on which we have issued an unmodified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the IFRSs, IASs, IFRC, SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Ya-Ling Chen and Chia-Chien Tang.

Attachment 2

Audit Committee's Review Report

The Board of Directors has prepared the Company's 2020 Business Report, Financial Statements, and proposal for allocation of profits. The CPA firm of KPMG was retained to audit Wistron's Financial Statements and has issued an audit report relating to the Financial Statements. The Business Report, Financial Statements, and profit allocation proposal have been reviewed and determined to be correct and accurate by the Audit Committee of Wistron Corporation. According to Article 14-4 of the Securities and Exchange Act and Article 219 of the Company Act, I hereby submit this report.

Wistron Corporation

Convener of the Audit Committee :

A handwritten signature in black ink, appearing to read 'Jack Lh', is written over a horizontal line.

March 23, 2021

Attachment 3

Wistron Corporation

Attachment 4

**Comparison between Original and Amendments to
“Rules and Procedures of Shareholders’ Meeting”**

| Items | Original Version | Amended Version | Reason |
|--------------|--|--|---------------------------------------|
| Article 8 | <p>The Chairman shall call the Meeting to order at the time scheduled for the Meeting, provided, however, that if the shareholders present do not represent a majority of the total number of issued shares (“quorum”), the Chairman may postpone the Meeting, provided, however, that the postponement of the Meeting shall be limited to two times, and the total time of the overall postponement shall not exceed one hour. If the Meeting has been postponed twice, but the shareholders present still do not represent a quorum, a tentative resolution may be adopted by shareholders representing one-third of the total amount of issued shares, in accordance with Paragraph 1 of Article 175 of the Company Act. Before the close of the Meeting, if the shareholders present represent a quorum, the Chairman may present the tentative resolution so adopted to the Meeting for resolution in accordance with the provisions of Article 174 of the Company Act.</p> | <p>The Chairman shall call the Meeting to order at the time scheduled for the Meeting <u>and announce the relevant information such as the number of non-voting rights and the number of shares present</u>, provided, however, that if the shareholders present do not represent a majority of the total number of issued shares (“quorum”), the Chairman may postpone the Meeting, provided, however, that the postponement of the Meeting shall be limited to two times, and the total time of the overall postponement shall not exceed one hour. If the Meeting has been postponed twice, but the shareholders present still do not represent a quorum, a tentative resolution may be adopted by shareholders representing one-third of the total amount of issued shares, in accordance with Paragraph 1 of Article 175 of the Company Act. Before the close of the Meeting, if the shareholders present represent a quorum, the Chairman may present the tentative resolution so adopted to the Meeting for resolution in accordance with the provisions of Article 174 of the Company Act.</p> | To comply with the Regulation update. |

Attachment 5

**Comparison between Original and Amendments to
“The Election Regulations of Directors”**

| Items | Original Version | Amended Version | Reason |
|-----------|---|---|---------------------------------------|
| Article 3 | The Company’s directors shall be elected through single named cumulative voting. Each share shall be entitled to one vote for each director to be elected depends on its voting power. The holder of the shares may cast all votes for one candidate, or may distribute the votes among several candidates. | The Company’s directors shall be elected through single named cumulative voting. Each share shall be entitled to one vote for each director to be elected depends on its voting power . The holder of the shares may cast all votes for one candidate, or may distribute the votes among several candidates. | To comply with the Regulation update. |
| Article 5 | The elections of independent directors and non-independent directors shall proceed as one election and number of the elected shall be calculated separately. The candidates who receive the most votes for the position will be elected independent directors and non-independent directors. In the event two or more candidates receive the same number of votes beyond a quota, the winner shall be determined by drawing lots. One lot may be drawn by the chairman for each of the absentees. In the event none of the elected of the independent directors possess accounting or finance expertise, the votes of the candidates who possess accounting or finance expertise shall be calculated separately. The one who receive the most votes shall be elected. The other headcounts of the elected shall proceed as prescribed in the preceding paragraph. | The elections of independent directors and non-independent directors shall proceed as one election and number of the elected shall be calculated separately. The candidates who receive the most votes for the position will be elected <u>sequentially</u> independent directors and non-independent directors. In the event two or more candidates receive the same number of votes beyond a quota, the winner shall be determined by drawing lots. One lot may be drawn by the chairman for each of the absentees. In the event none of the elected of the independent directors possess accounting or finance expertise, the votes of the candidates who possess accounting or finance expertise shall be calculated separately. The one who receive the most votes shall be elected. The other headcounts of the elected shall proceed as prescribed in the preceding paragraph. | To comply with the Regulation update. |
| Article 7 | The board of directors shall, upon preparing the ballots, have the ballots numbered in a series and enter the voting power on each ballot. | The board of directors <u>or other authorized conveners of shareholders’ meetings</u> shall, upon preparing the ballots <u>for directors in numbers corresponding to the directors</u> | To comply with the Regulation update. |
